

Assignment 4

MAS S63 Tools for Wellbeing

This assignment consists of two parts. Part 1 is due 9pm Monday 9/22. Part 2 is due 9pm Thursday 9/25. For Part 2, do not forget to include your name and email address in your submission. **Please**

follow the the following name convention to name your files:

<FirstNameLastName-Assignment3.pdf>. For example JohnDoe-Assignment3.pdf.

You should upload your file here: <http://bit.ly/1uBWj36>

1 PART 1 (DUE 9PM MONDAY 9/22)

1. You may already have a hunch on what you'd like to do for your class project. If not, do not worry. Look at the archive section of the course website to see projects from last spring's pilot version of the class. Try to come up with an idea (not to exceed 3 ideas) for a class project you are interested in doing.
2. Enter your idea(s) and a brief description for each in the following spreadsheet, due 9pm Thursday 9/22:
<http://bit.ly/YNe2sT>

2 PART 2 (DUE 9PM THURSDAY 9/25)

1. In the above spreadsheet (Part 1, question 2), consider which **two** projects appeal to you the most. Enter your names against these **two** projects in the spreadsheet. You are welcome to send an email to the idea proposer if you'd like some more details about them.
2. Write a 1 page description of what you want to do for a project. It does not have to be a detailed proposal, but should include the following general aspects:
 - a) What problem are you trying to solve and why is it important?
 - b) What solution are you proposing?

c) What technologies (3D printing, UX design, machine learning, prototyping, etc.) are needed for this project?

-
